

MOSQUITO PREVENTION AT HOME

Protect yourself from mosquito bites by following The Three Ds:

- **DRAIN:** Eliminate all standing water on your property that could be breeding mosquitoes. Use a commercially available Bti larvicide for water that cannot be drained.
- **DRESS:** Wear loose-fitting, long clothing that covers the skin when spending time outdoors and treat clothing with permethrin.
- **DEFEND:** Use EPA-registered insect repellents such as DEET, Picaridin, IR3535, Oil of lemon eucalyptus (OLE), para-menthane-diol (PMD), or 2-undecanone.
